## Drop off and pick up

Due to the covid-19 pandemic our first week back to classes will look a little different

**Ages 4 and up-** We will have drop off and pick up work like carline at schools. Students will be met outside by the teacher and brought into class. Students will receive hand sanitizer upon entering and exiting classes. After class your child will be brought back out to you. Please meet the teachers at the porch for both pick up and drop off.

**Age 3** - parents will be allowed to walk their child into class until November. We ask that parents wear a mask when bringing their child to class. After dropping your child off to class, we ask that you wait outside in your car in case we need to come get you. After class your child will be brought outside to you. In November we will start drop off and pick up at the porch. Hand sanitizer will be applied before and after class.

**Mommy and Me (2 years)** – Parents participating in Mommy and Me classes will be asked to wait by the porch until a teacher come out. Parents will need a mask walking into class. Once we are in class it is up to you if you choose to continue to wear a mask. Hand sanitizer will be given before and after class.
