

STUDIO GAZETTE

December 2020

Lobby Closed

We will be closing our lobby again, due to our city being put back into phase two. This means we will reimplement our student pick up and drop off system until further notice. Your child's teacher will meet you at the bottom of the porch steps before class and drop them off to you at the bottom of the ramp. We will also be strictly enforcing all students 5 and up to wear a mask or face shield to and from classes. They may remove their mask while dancing if you are comfortable. We will have all dancers properly distanced. If you need to get in touch with an office manager you can call or text us at (985)-768-7952 or (504)-512-4602.

These rules will be strictly enforced for your child's health and the health of our staff members. We have been very blessed to have zero Covid-19 cases at our studio. We want to keep it that way going into the new year.
