

STUDIO GAZETTE

October 2020

We are excited to announce that our lobby will be **OPEN** and our tumbling classes will be starting in October! If you have registered for tumbling you will be receiving a call with our new tumbling schedule and an email with our new instructor's bio!

Waiting area policies

- Studio G staff will be sanitizing the waiting areas at the end of each night.
- We ask that all customers wear a mask when entering and waiting in our facility, unless you are medically unable to do so.
- Dancers may remove their mask once in class. We will leave this up to each individual parent to decide if they want their child to wear a mask in class or not.
- We ask that everyone sanitize their hands upon entering our facility. We will provide sanitizing stations with hand sanitizer and spray sanitizer with wipes for those that would like to sanitize their seat.
- Please remember to stay home if you or your child are sick or have been in contact with someone who is sick.
 - Practice social distancing.
- Our lobby area is small so we ask that you limit one parent per dancer.
